C.No. 6375/55.

Sub: Pharmacy Council of India - Dr. V. Iswariah, Professor of Pharmacology, Kasturba Medical College, Mangalore - Permission to travel by air to attend a meeting of the Pharmacy Council of India.

Ref: From Dr. V. Iswariah, Professor of Pharmacology, Kasturba Medical College, Mangalore, letter dated 21-1-1955.

--

Dr. V. Iswariah is a member of the Pharmacy Council of India having been re-nominated thereto by this Govt. under Section 3(h) of the Pharmacy Act, 1948 he was till recently the Professor of Pharmacology, Medical College, Madras. He attained the age of superannuation on 6-9-1954, but was re-employed in that capacity. Last month, he secured appointment as the Professor of Pharmacology in the Kasturba Medical College, Manipal, Udipi, and was relieved of his duties in the Madras Medical College.

2. He requests permission to travel by air to attend the meeting of the Pharmacy Council of India fixed to take place on 21-2-1955 at New Delhi. His salary in Govt. service was Rs. 900/- in the scale of Rs. 600-75/2-900. The pay allowed to him at the Udipi College is ~~Rs~~ apparently to agree. So long as he was in Govt. service, he was a class III officer entitled to the following rates of travelling allowance:-

Railway journey	- 1(2/5) first class fare
Mileage	- Rs 0-9-0
Daily allowance	- Rs. 7½/-

He was also entitled to travel by air under rule 37 of the M.T.A. rules. As he is not in Govt. service, he has to be treated as a non-official and fule 1(a) in Part III of the Madras Manual of Special Pay and Allowances, extracted below will apply:-

1.(a) "When any person, not being a Government servant, attends any meeting of a commission of

1852

inquiry or of a board, conference, committee or departmental inquiry convened under proper authority or performs any public duties in an honorary capacity, the State Government may grant him travelling allowance calculated under the ordinary rules for the journey of a Government servant on tour and for this purpose, with due regard to such person's position in life, may declare by general or special order the grade to which he shall be considered to belong or may pay him his actual travelling, hotel and carriage expenses as may be thought fit."

With reference to this rule, Dr. Iswariah may be declared as a Class III officer. He may also be told that he can travel by air, as the total of the travelling allowances for journeys by train from Mangalore to New Delhi and back, is likely to be greater than the to and fro air passage from Mangalore to New Delhi. His travelling expenses have to be borne by this Govt.

3. The question whether this retired official may be asked to resign his membership on the Pharmacy Council of India and his successor Dr. K.P. Sarathy may be nominated instead, may be examined separately in consultation with the D.M.S.

4. The file may be sent to Finance for remarks with reference to para 2 above.

I manee may generally agree with the views expressed by HELA at A on prepa Subject, however, to the following remarks in regard to the debit of expenditure on TA of the officer

It will be seen that the doctor retired on 6.9.54 and has got himself reemployed in a private medical college He now stands on the same footing as a non-Official member of the Pharmacy Council of India & in this view the expenditure on his TA for attending the meetings of the Council will have to be borne by the Govt of India (HELA may be requested to take necessary action in this regard under intimation to the AG Madras to avoid incorrect debits

Dr V. Iswariah may be informed that he may travel by air to Delhi to attend the meeting of the Pharmacy Council of India & also return by air.
Draft submitted for approval.

Regarding A above there are previous papers on the subject and this will be further examined after issue of the draft below.

(Issued as Memo. No. 6375/54-2 H.II, dated 9-2-55.)

Finance Dept.'s note on p.3 ante may be perused.

2/ Dr. V. Iswariah is a member nominated to the Pharmacy Council of India by this Govt. under clause (h) of Section 3 of the Pharmacy Act, 1948 (Act VIII of 1948). At the time Dr. V. Iswariah was nominated, he was Professor of Pharmacology in the Madras Medical College. He has since retired and has been re-employed as Professor of Pharmacology in the Kasturba Medical College, Manipal, Udipi. This Govt. have already agreed to meet from State funds the T.A. and Daily Allowance of members nominated under section 3(h) of the Pharmacy Act. Official representations draw T.A. under the Madras Travelling Allowance Rules. The Non-official members nominated to the Council are to be paid T.A. for journeys performed by them to attending the meetings at the rates specified in rule 9(a) of the T.A. Rules relating to persons other than Govt. servants in Part III of the Madras Manual of Special Pay and Allowances, Volume I, viz. at the rates admissible to non-official members of the Medical Council of India. As Dr. Iswariah has since retired and from the Madras Medical Service and taken up private employment, he can be regarded only as a non-official member. Dr. Iswariah has already been permitted to proceed to Delhi and back by air from Mangalore to attend the meeting of the Pharmacy Council of India on 21-2-1955.

Orders may, therefore, be issued permitting the travel of T.A. and D.A. by Dr. Iswariah. He may be permitted to travel by air from Mangalore to Delhi and back. Finance may see the case again.

3 Dr. Iswariah was nominated as an official member in his capacity as Professor of Pharmacology, Madras Medical College, Madras. The Pharmacy Council has been established to make better provision for the regulation of the professional practice of Pharmacy and the ~~elements~~ setting up of educational regulations and other allied subjects will come up for discussion and it is imperative that a State's nominee is on the Pharmacy Council of India to safeguard the interest of (Pharmaceutical education in) this State. It is the usual convention in the case of the Medical Council of India for the D.M.S. to be our official nominee. When Dr. Arunachalam retired from service, he was asked to resign his appointment as a member of the Medical Council of India and in his place Lt.Col. Sangham Lal has been appointed. In a like manner, the D.M.S. may, perhaps, be asked to request Dr. Iswariah to resign his membership in the Pharmacy Council of India so that the question of nominating a member of the Medical College, Madras, preferably Dr. K.P. Sarathy may be taken up. Subject to approval, the draft memo. below is for approval.

M above. Dr. A.R. Govinda Rao, Professor of Pharmacology, Andhra Medical College, Visakhapatnam is already a member of the Pharmacy Council of India as the nominee of the Andhra Govt. He is a "transferred officer." The Andhra Govt have now decided to send him to this State. He will have to be posted as a Professor in one of the Medical colleges in this State in June next. He is senior to Dr. K.P. Sarathy. The question of "M" above, may be proceeded with

6

CSH

after he joins duty in this State.

The file may be sent to Finance with reference to para 2 of the note at pages 4-5 ante.
